**General Notes and Conditions:**

Design - Will be drawn at appropriate scale and will include the layout of all desired amenities. Material selections will be noted as suggested and final quantities will be provided in the contract. The concept plan is for layout only and subject to field adjustment. Contractor is responsible for proper construction techniques set by industry, professional certifications and manufacturer's specification. Any changes as required through city/building dept. may necessitate a Work Change Order to reflect materials/labor to comply. The owner is responsible for compliance with all town, city, and state regulations and codes. All original drawings are solely the property of TKO.

Please note: Any additional requirements and/or requests, revisions beyond the scope of the above mentioned Design Retainer would be subject to an extension(s) of the Retainer fee, until at which time any/all requirements are met to the satisfaction of all parties. TKO labor will be billed up to \$75.00 per hour, including for travel, materials, consultations; This hourly fee does not include any charges for permits, city fees, taxes, tests, or required architectural or engineering services. The client will always be notified in advance of any additional charges and/or extension of the Retainer.
